NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

This is a response to the Office Communication mailed June 23, 2004 relating to a "Notice of Non-Compliant Amendment".

The typewritten portion of the communication is a very poor copy and difficult to read completely.

However, it relates to an amendment filed June 14, 2004 and states that: "The claims of the amendment paper have not been presented in ascending numerical order" and "Amdt should read, 1-48 cancelled, list other claims after 48, then 49-66 cancelled and so on.."

It is not understood what is required. On page 2 of the amendment filed June 14, 2004, it requests that Claims 1-48 be

cancelled, and that Claims 49-66 be cancelled, followed by the remaining claims 67-70. All claims are in ascending order as required. There are no claims after 1-48 and before 49-66. A further copy of page 2, the claims page, of the June 14, 2004 amendment is attached.

The Office is requested to advise what is required.

Respectfully,

William A. Drucker
